College

19th June 2017

Dear Parents,

It is with great pleasure that I am able to tell you about an exciting opportunity for the future of St Anne's and for Catholic Education in Southampton. The Governors and Trustees of St Anne's have been approached by The Governors of St George and the Diocese of Portsmouth to develop a new role of Executive Headteacher to provide strategic leadership in each school on a temporary basis.

This proposal would mean that Lyn Bourne, currently Headmistress of St Anne's would take on this role. Miss Bourne would therefore be sharing her time between both school sites. New temporary Heads of School would be internally appointed to lead each school community.

It is important to note that the two schools would remain separate institutions, continuing to develop their own distinctive character with St Anne's remaining under the Trusteeship of the LSU Community and St George, the Diocese of Portsmouth.

Final details are currently being discussed by both Governing Bodies and when a decision is reached we will inform you further. Meanwhile, please be reassured that the best interests of our students are our first consideration at all times and decisions will be made accordingly.

If you have any questions at this stage, please do not hesitate to contact me by email at the school address info@st-annes.uk.com or via reception.

Yours sincerely

Linda Bate
