

**St Anne's Catholic School and Sixth Form
GCSE Examination Workshop Timetable**

Year 11

Friday 12th May - Friday 16th June 2017

Rationale:

St Anne's School is fully committed to the wellbeing and success of all pupils. As we move into the examination period there are extra revision classes provided. As part of the ongoing programme to provide every possible opportunity and support, right up to the point of your daughter sitting her exams, we have again set up our very successful exam preparation workshops. Year 11 pupils over the last couple of years have found this programme very helpful in enabling them to structure their revision time in what is a very busy examination period. This, alongside other strategies, enabled them to more than reach their target grades and of course the results over the last few years speak for themselves.

Therefore your daughter will be in school throughout the exam period with a focus on revision and exam technique. We hope our girls will find the support and encouragement this programme provides, will help them feel confident, well prepared and ready to face the challenge!

Mrs Gould
Assistant Headteacher.
